Dear Community Partner,

Mehr Foundation invites you to our fourth annual Mehregan Persian Autumn Festival. The event, free to the public, aims to highlight and celebrate our Persian culture and arts. As a nonprofit organization, our success relies on the many partnerships we have built through the years and new ones we hope to forge with organizations, companies, and individuals who share our passion and vision.

We invite you to be a participating sponsor for this year's festival. Your donation will allow us to expand and improve our efforts, ultimately inspiring, educating, and uniting people through culture and art.

Our fourth annual festival takes place on Sunday, October 20th, at the Main Plaza Square from 5 pm to 9 pm, with the theme "Roots in Persia." Persia (Iran) has a history rich in invention and innovation. The lands were home to many greats such as mathematician—Khwārizmī; Astronomer & poet—Khayyam; philosopher & physician—Avicenna among others whose inventions helped shape the future & modernity of civilization.

The festival will highlight some of these innovations along with food, live performances and a vendor market. We thank you in advance for your consideration and look forward to your favorable response.

Best Regards,

*Mojgan Panah*  
Cofounder & President
